- Notes: 1. Coaches at the house league level (non-competitive) in the U14, U16, U19 and 18+ divisions are considered to be B or C level coaches.  
 2. The cost of the CI-1 evaluation is included in the CI-1 clinic fee, and so it is highly recommended that coaches at the U16, U19 and 18+ B&C level complete the CI-1 evaluation following the completion of the clinic.
