

How to log in to the CAC Locker

A National Coaching Certification Program number, or NCCP#, sometimes referred to as a CC#, a Coach#, a coaching#, a Locker#, is a unique identifier that is associated with a coach's account in the Locker: the Coaching Association of Canada's (CAC) online Learning Management System (LMS). The NCCP# is 3-7 digits in length, and contains no letters. In other words the NCCP# is your personal account in the Locker.

Please do not register in the Locker if you already have a NCCP number.

New NCCP#s are assigned by the CAC within 48 hours after a clinic has been marked as complete in the coachingringette.ca website. The NCCP number will be automatically entered into your coaching profile at coachingringette.ca. **In order to create a password for your new Locker profile, contact the CAC using the contact information below.**

If you encounter any issues, difficulties or error messages, or if you have questions about NCCP#s or acquiring one, please contact:
